Imaging pro

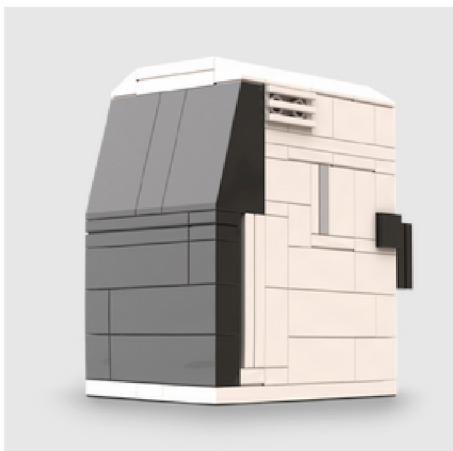

See the light with **15% off**
CCD imagers and laser
scanners

We understand the challenges researchers face and are committed to helping you achieve your goals with our quality imaging products.

Exclusive to academic researchers

We're offering **15% off** our Typhoon™ and ImageQuant™ 800 CCD imagers and laser scanners. Exclusively for researchers because we value the foundations of future medicine you're building through your research.

Register your interest in receiving
15% discount, and we will send you a
free ImageQuant 800 imager system
LEGO® building block collectible!
