

Join Purify club today

Welcome to the **Cytiva Purify club**

A dedicated community for users and friends of ÄKTA™ systems and purification

Unite with us on this journey of exploration and collaboration in the world of **ÄKTA™** systems, columns and resins and connect with fellow enthusiasts, share experiences and stay updated on the latest developments. If you find yourself absorbed in affinity chromatography, intrigued by ion exchange chromatography, sparked by size exclusion chromatography, or hooked on HIC – this is the community for you.

Join today:

- Subscribe to our monthly **Purify newsletter** for all the latest chromatography news
- Receive a free printed and digital copy of our **latest poster** on Cytiva columns and resin offerings
- Earn **exclusive discounts** on relevant Cytiva products
- Receive one of our **mini ÄKTA system models**
